

Eric Mandolesi

Project Planner

Bridgeport, WV

emandolesi@benchmarkpllc.com

(724) 322-0124

Biography

Eric's drafting, design, and project planning skills make him a vital team member. He has vast drafting experience including producing or revising civil, architectural, mechanical, or electrical drawings. He is also well-versed in drafting topographical and relief maps for various engineering projects, creating as-built drawings of well pads, and creating and revising corrosion protection drawings. His attention to detail serves clients in his capacity as a facility planner. His experience in project planning and daily coordination of work duties require a keen level of organization. His skills in communicating with workers are most evident in his safety training duties for new employee orientation.
