

Andrew Palmer

EHS Technician

Bridgeport, WV

apalmer@benchmarkpllc.com

(304) 933-8200

Biography

Andy has been conducting environmental and asbestos sampling for more than twelve years. Due to his dependability, professionalism, and expediency, clients consistently request his services.

He has collected samples from sites in general industry, health-care facilities, construction, and private residences. His willingness to do the tough jobs makes him invaluable to Benchmark.
